

What can Intuition add to your life

Intuition can help you in many different ways:

- Personal consultation
- Business consultation
- Check-up (limited consultation of 20 min. to give a kind of supervision)
- Teenagers class
- Personal Intuitive Management program after graduation it entitles you to bear the title of Energy Therapist / Counselor.

Co-create Your Life®

Intuition gives answers to all kinds of questions as explained in our leaflet "What is Intuition". Each answer

To give you just a slight idea or questions you might want to get an answer to, here are some ideas.

Everyone

You get answers to:

- What is your unique way of being?
- How can you use your uniqueness?
- In what way can you develop your creativity and other skills?
- What does your essence tell you?
- What is your path through life?
- What can the relationship with... accomplish?
- What are you learning and why?

HRM

You get answers to:

- What you want to accomplish with the new tools and will they bring what you imagined?
- Will the new person fit in the team and what will that bring the team as a whole or to each team member in particular?
- Do I hire this person to fulfill my needs, the needs of the Executive manager or does this person meet the needs of the company goals?
- Which individuals do fit well in a team and which don't, despite of their skills or attitude?

Libertas in Vivo Inc.

- Counseling / Coaching
- Training
- Personal Intuitive Management
- Custom Tailored Programs

Co-create Your Life®

Executive Managers

You get answers to:

- The innovation I plan, will it be successful and in what way?
- Does this meet my personal goal or the goal of the company?
- Do the teams contribute to the company goals?
- Which will be the next step for the company and what does that mean?
- Why does the company meet these setbacks and what is the purpose of it?
- Does your company fit in the present or is the company living in the past or in the future?
- Is the company competitive enough?
- Is the company on track were the management want it?
- If not, what does the company need, why and what will be the outcome?

Parents

You get answers to:

- What is it your child wants to create in his lifetime?
- How can you benefit your child's needs?
- How can you benefit even your own needs?
- What does your child add to your life and to other family members?
- How can you make sure your child is welcome?
- How to communicate clearly with your child?
- Why is it you want a large family?
- What is the reason that you (still) have no children?
- What is your learning process?
- What is the learning process of you as a couple?
- What is the learning process of you as a family?
- What is the deeper meaning of adoption, sudden infant death syndrome (SIDS), miscarriage, abortion, to early born children, birth deviations?

Dying persons

You get answers to:

- How can I stop all my bondages with the loving and attending persons around me?
- What happens after my physical death?
- Where am I going to?
- What was the meaning of my life?
- Have I contributed to earth and in what extend?
- Can I learn to create my next life and how?
- Will I see my family again?

When the dying persons get contact with his essence, the suffering will be less.

Ill people

You get answers to:

- How a deaf person can hear on an intuitive level
- How a blind person can see on an intuitive level
- How do you cope with emotions?
- Why do you have this dysfunction or illness?

Libertas in Vivo Inc.

Co-create Your Life®

- What is the meaning of this dysfunction or illness?
- What is the matter? (In case no one seems to have the answer to your illness)

Medical Doctors

You get answers to:

- What is probably wrong and where in the body is it localized?
- What is the deeper background of this physical condition?
- Why is this person suffering from this physical condition?
- To what extend can you help this person to overcome these conditions and how?

Mental health

You get answers to:

- What communication is effective to communicate with this person?
- What is probably wrong?
- What is the deeper background of his mental condition and what is the benefit of it?
- Which kind of treatment should you start with?
- How will this treatment benefit to this person?
- To what extend can this person overcome his present conditions?

Teenagers

(12-18)

You get answers to:

- How does energy work?
- How does working with energy tools help you in school, with teachers and friends or at home?
- What is your own space and how to get along with it?

Judges and Lawyers

You get answers to:

- Is this person fooling around with you or saying the truth?
- Can you perceive him and understand what he means?
- Is there something you overlooked?
- Will this sentence benefit his real Path of Life or is another punishment better suited?

Intuition can provide an answer to any other question you might think of.
